Ms. Karen L. Miner
Lands Supervisor, South Coast Region
California Natural Resources Agency
Department of Fish and Game
4949 Viewridge Avenue
San Diego, CA 92123

Dear Ms. Miner:

Thank you for previously delaying the work relating to the parking lot at the Ballona Wetlands Ecological Reserve as it allowed for an interim parking plan to be devised by affected parties.

Our offices continue to receive extensive contact from community members and business owners who have expressed a strong desire to have an opportunity to meet with representatives of the Department of Fish and Game and the California Coastal Conservancy to voice their concerns and learn more about the future plans for the area before the work begins.

We understand that a community meeting to discuss the project with representatives from the Department of Fish and Game and California Coastal Conservancy is planned for Tuesday, October 20th. Since work is scheduled to begin Monday, October 19th, we respectfully request that a delay be considered to allow for public input.

Sincerely,
