On December 4, 2018, Loyola Marymount University representative Grace Yao presented the University's plan for student dormitory expansion to our Neighborhood Council of Westchester Playa Board. This project raised questions from stakeholders regarding LMU's total tenant occupation and other uses of R1 properties in the community. We have since outreached multiple times to LMU contacts, and to date have not received a complete report.

Therefore, for the purpose of positive community relations and to address stakeholder concern, this Board requests Loyola Marymount University present a complete inventory of R1 properties owned and/or operated by LMU, including (if applicable) "trust" properties—that is, R1 properties still titled to the individual R1 owner but "loaned in trust" for LMU's use.

In this report, please include addresses and tenant/use classification, e.g.,

- Student housing and # of occupants for what academic calendar period?
- Faculty housing for what academic calendar period?
- Staff housing for what academic calendar period?
- Computer lab, study hall

We respectfully request this information to be provided no later than Tuesday, June 11, 2019 so that the Planning and Land Use Committee (PLUC) can consider the input at their June 18, 2019 meeting.

Sincerely,

/s/ Cyndi Hench
