**RECOMMENDATION:**

The NCWP approve the attached letter of support for the Southwest Airlines Terminal 1 Project.

**BACKGROUND:**

Southwest airlines in conjunction with LAWA Staff proactively asked to present their plans to the Airport Relations Committee at the February 20, 2014 meeting.

**DISCUSSION:**

The effort by both Southwest Airlines and LAWA to proactively engage the community on project plans before the plans are finalized historically has rarely ever happened. Only recently has LAWA Staff worked with the community to hear our feedback, include the input in the plan and then return to the community for support. We appreciate this approach and fully anticipate that LAWA will continue this practice.
