July 17, 2017

Dear City of Los Angeles Resident:

**Good News!** Your neighborhood, the northeast quadrant of North Kentwood Westchester, will be part of a new *food waste diversion pilot program*.

**What is this program about?** It's about rethinking the way we handle food waste and reducing our carbon footprint! This program will educate residents on the proper use and benefits of using your in-sink food waste disposer instead of putting food waste into the trash bin. The data will be used to help determine how we can divert food waste from ending up in the landfill.

**How to participate?** The City has partnered with a consultant, CB&I Environmental & Infrastructure, Inc., to outreach and educate residents in the pilot area about food waste, and how to use your in-sink food waste disposer. The City will also offer to provide and install a new, high-end in-sink food waste disposer for free.

**CB&I will be in your neighborhood on the Saturdays and Sundays of July 22, 23, 29, 30, and August 5, 6, 12, and 13, 2017.**

Questions? Call CB&I at 1-833-388-4324

Estimado Residente de la Ciudad de Los Ángeles:

**¡Buenas Noticias!** Su vecindario, el cuadrante noreste de North Kentwood Westchester, será parte de un nuevo *programa piloto de desvío de desperdicios de alimentos*.

**¿De qué se trata este programa?** ¿Se trata de reconsiderar la forma en que manejamos el desperdicio de alimentos y de reducir nuestra huella de carbono! Este programa educará a los residentes sobre el uso apropiado y los beneficios de usar su triturador de desperdicios de alimentos en el fregadero en vez de poner el desperdicio de alimentos en el recipiente de basura. Los datos se utilizarán para ayudar a determinar cómo evitar que los desperdicios de alimentos terminen en el vertedero.

**¿Como participar?** La Ciudad se ha asociado con un consultante, CB&I Environmental & Infrastructure, Inc., para difundir y educar a los residentes en el área piloto sobre el desperdicio de alimentos, y cómo usar su triturador de desperdicios de comida en el fregadero. La Ciudad también ofrecerá el proveer e instalar gratuitamente un nuevo triturador de desperdicios de alimentos de alta gama en el fregadero.

**CB&I estará en su vecindario los días sábados y domingos 22, 23, 29 y 30 de julio, y los días sábados y domingos 5, 6, 12 y 13 de agosto de 2017.**

¿Preguntas? Llame a CB&I al 1-833-388-4324
