**SECTION II - PROJECT DESCRIPTION**

4) Please describe the Neighborhood Improvement Project for which the grant is intended.

MDRA proposes taking 300 or more youths on fishing outings on a sport fishing boat out of Marina Del Rey and on the Marina Del Rey Sportfishing Dock. During the fishing outings we will teach the children and their counselors about local fish contamination and safe fishing practices and introduce the kids to the MSRP "What's the Catch" comic book. Frequently parents of the youths also participate so we hope to teach entire families about local fish contamination and safe fishing practices. We will distribute copies of "What's the Catch" to the children to take home and share with their families and also provide extras to the counselors to share with the other families included in their programs who were not participating in the fishing trip. Although all of our trips are 100% catch and release we will point out how to identify each of the fish we catch and which ones are recommended for consumption and which ones should not be consumed. We will also harvest one or two of the fish to teach the kids and counselors how to filet the fish for the safest possible consumption.

5) How will this grant be used to primarily support or serve a non-discriminatory, public purpose and benefit the public at-large.

We will run 24 trips and be educating at least 300 kids and 100 counselors from various non profit youth groups. Our kids come from at risk environments in the Los Angeles area. We partner with various community outreach programs including LAPD, LA County Sheriffs, Mayor's Best, Protective Custody Centers and Boys and Girls Clubs in our community. The kids are mostly 10 - 16 years of age. Our hope is these kids and counselors take this material and knowledge back to their families and communities and help spread the word. Our goal is to start them thinking that they are stakeholders in the health and environment of their community. All trips will be scheduled and completed during July and August, 2016 and all fishing will be done in the Santa Monica Bay

### General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

**Future developments.** The IRS has created a page on IRS.gov for information about Form W-9, at [www.irs.gov/w9](http://www.irs.gov/w9). Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

#### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

**Note.** If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
