RECOMMENDATION:

Approve funding as requested

BACKGROUND:

WISH Charter School has a science project for kindergartners and 1st graders at WISH and 8th graders from STEAM Magnet. This project aims at showing children where bread comes through the process of planting wheat, caring for it, learning to thresh stalks, winnow husks, grinding the resultant wheat berries into flour and bake along the way.

DISCUSSION:

The knowledge the students gain by participating in he project also teaches students lifelong skills, such as perseverance and patience. The bread will be shared with students of both campuses, the Emerson Garden Volunteers , and the LAX Food Pantry

FISCAL ANALYSIS:

\$1140

ATTACHMENTS: included

MOTION:

That the NCWP: approves the funding of \$1,140 to WISH Charter School
