## COUNCIL DISTRICT 11 CANDIDATE FORUM

**Meet and Hear From all 3 Candidates**

**MONDAY FEBRUARY 27TH AT  
WINDWARD SCHOOL, 6:30 PM**

**Mike Bonin**

**Robin Rudisill**

**Mark Ryavec**

Welcome to the main Council District 11 Candidates Forum planned before the Primary election on March 7th.

We have brought together all three candidates in one forum, to discuss the issues that impact CD11 residents, and give their views on what the future may look like for our neighborhoods.

The forum will be a moderated discussion of the issues voters care about and a chance to hear from all candidates. It is sponsored by WRAC (Westside Regional Alliance of Councils), CD11 member Councils—which include the MVCC, PPCC, BCC, VNC, WLASNC, NCWP, and DRNC.

We are pleased to partner with Windward School to bring this forum to you, for a chance to meet and talk to the 3 candidates for CD11 City Councilmember.

**Join us on Monday February 27th,  
at 6:30 pm to talk about commu-  
nity leadership and advocacy!**

Member Councils:

Mar Vista Neighborhood Council, Pacific Palisades Community Council, Brentwood Community Council, Venice neighborhood Council, West LA Neighborhood Council, Westchester Playa Neighborhood Council and Del Rey Neighborhood Council.

## Start Your Own Neighborhood Watch

Neighborhood Watch is a crime prevention program that enlists the active participation of residents in cooperation with local law enforcement to reduce crime in their neighborhoods.

It involves...

- Neighbors getting to know each other, taking the time to care about each other and working together in a program of mutual assistance;
- Residents being trained to recognize and report suspicious activities in their neighborhood; and
- Crime prevention strategies, such as home security and suspicious activity identification and more.

### Why Participate In A Neighborhood Watch Program?

There cannot be a law enforcement officer on every corner. Resident involvement is essential to combat crime.

- You and your neighbors are the ones who really know what is going on in your neighborhood.
- By cooperating with each other and with local law enforcement, people can help fight crime in their community the most effective way—by stopping it before it begins.
- Neighbors place signs in their windows and post signs on streets to warn criminals that they are in an active crime prevention neighborhood and that “neighbors are watching out for each other.”

### What Makes A Neighborhood Watch Program Work?

The key to Neighborhood Watch is community residents banding together to work with local law enforcement. These partnerships create a powerful force to carry out a successful Neighborhood Watch program.
