2012 Neighborhood Council Election

About half of the seats will be on the election ballot in the fall of 2012. Each board seat has specific qualification requirements, and this may be your opportunity to get involved and help your community.

Neighborhood Councils were created in the City of Los Angeles Charter as a way to encourage more involvement in City government and to make Los Angeles City government more responsive to local needs. The Neighborhood Council of Westchester/Playa (NCWP) was certified in 2001 and works to give a larger voice to the residents, businesses and property owners in Westchester, Playa del Rey and Playa Vista.

The NCWP is comprised of 31 board members who are volunteers and qualified to hold their seat on the board. All board members are required to attend monthly NCWP board meetings and actively participate on at least one of the NCWP committees.

The board seats that are open for the 2012 election are:

- Seven (7) Residential seats - even numbered Residential seats 2, 4, 6, 8, 10, 12, 14
- One At-Large seat
- One At-Large Affirmation seat
- Two Business seats - zip codes 90045 and 90293
- One Community Organizations representative seat
- One Education representative seat
- One LMU representative seat
- One Service Organizations representative seat
- One Youth Organizations representative seat

Please visit the website –www.ncwpdr.org – for specific qualification and residential district boundaries.

More information regarding the election itself will be made available on the website as it becomes available. You may also contact the Department of Neighborhood Empowerment at (213) 978-1551.

A stakeholder may run for any Board position for which they qualify. Candidates for Board positions will be asked to provide their qualifications for the seat to which they wish to run.
