5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)
We will run 24 trips and be educating at least 300 kids and 100 counselors from various non profit youth groups. Our kids come from at risk environments in the Los Angeles area. We partner with various community outreach programs including LAPD, LA County Sheriffs, Mayor's Best, Protective Custody Centers and Boys and Girls Clubs in our community. The kids are mostly 10 - 16 years of age. Our hope is these kids and counselors take this material and knowledge back to their families and communities and help spread the word. Our goal is to start them thinking that they are stakeholders in the health and environment of their community. All trips will be scheduled and completed during July and August, 2019 in the Santa Monica Bay
