**RECOMMENDATION:**

**Request that the Council Office instruct LADOT to modify overnight parking on the south side of Manchester Avenue (Westchester) to accommodate residents in the 7000 block of the aforementioned street.**

**BACKGROUND:**

**In July, 2017, signage was placed on the south side of Manchester Avenue affecting the 7000 and 7100 blocks of the street. The signage prohibited parking between the hours of 11PM and 6:00AM. This change has resulted in residents of the 7100 block of Manchester Avenue to seek parking elsewhere, in many cases requiring these residents to park up to four (4) to five (5) blocks away from where they live. The affected residents request that they be allowed to park on the south side of Manchester Avenue as they had before.**

**DISCUSSION:**

**As noted in the Background referenced above, the south side of the 7000 and 7100 blocks of Manchester Avenue now prohibits parking during the hours of 11PM and 6:00AM. This new restriction has forced the residents of the 7100 block of Manchester Avenue to seek parking elsewhere in the surrounding neighborhood. In many of these cases, the residents tend to work late hours and therefore a forced to park several blocks away, especially late at night when they return from work. This spillover of additional vehicles no longer allowed to park on Manchester Avenue’s south side has disturbed residents of those streets affected. There is now a movement from residents on the adjacent streets to seek Preferential Parking District(s) (PPD). Should a PPD be approved, the residents of the 7100 block of Manchester Avenue will have limited-if any-parking options.**

**FISCAL ANALYSIS:**

**There is no direct cost to the Neighborhood Council of Westchester-Playa.**

**ATTACHMENTS:**

**Petitions signed by the residents of the 7100 block of Manchester Avenue (Westchester).**

**MOTION:**

That the Neighborhood Council:

**“In consideration of the residents of the 7000 block of Manchester Avenue (Westchester), we ask that the recently modified parking restrictions placed on the south side portion of this block, and the south side 7100 block, be revised to reflect the following:**

- No parking during street cleaning periods;**
- No oversized vehicles (measuring 7’ (H) X 21’ (L))**
