RE: Neighborhood Council position to support CUP at 12901
Coral Tree Place

Dear Mr. LoGrande,

For many years, Westside Neighborhood School has been providing the children of our community with an excellent education. We have previously reviewed and supported the various planning approvals needed for the school to operate at its current location and have had consistently positive feedback about the school's impact on our community.

At our April 1, 2014 board meeting, we considered the school's request for our recommendation of support for their plan to provide much needed educational opportunities for preschool children at a facility across the street from their existing location.

The NCWP board to support the project and the following motion passed:

“Motion for support of the conditional use permit for the addition of an Early Childhood Center to the Westside Neighborhood School (WNS) to serve a maximum of 68 preschool aged children at 12901 Coral Tree Place.”

Thank you for your consideration of this

matter.

Sincerely,
/s/ Cyndi Hench

Cyndi Hench
President, Neighborhood Council of Westchester/Playa
