Hi Steve,

Per your request, here is a link to our PPT from the hearing last Wednesday, and the hearing statement that accompanies the slides. In the slides there is a full summary of our outreach done to date, things we've done / volunteered to do with the community, and a full list of community and economic benefits. This should answer a lot of your questions!

Please note: By State and City mandate, Three6ixty employees are working hybrid schedules. I am available by email or cell phone (310-259-8288) for any client needs during this time. Phone calls to our office lines will be forwarded to our personal phones, but we are most easily accessible via email. We are monitoring the evolving standards for municipal submittals and are continuing to move forward with projects as much as possible. Thank you for your continued business and patience as we all adjust during this crisis.
