RECOMMENDATION: Recommend that the Board approve the motion along with the attached recommendations to CD11 and various departments of the Los Angeles Planning Department.

BACKGROUND: The Community Plan Update Ad Hoc Committee has consistently met for over a year to evaluate the proposed changes to our Community Plan.

The Los Angeles Planning Department formed an advisory group to gather input from Community business groups, Chamber of Commerce, developers, realtors, other various stakeholder groups and the Chair of the Westchester/Playa Neighborhood Council Community Plan Update Ad Hoc Committee. Over the last 6 months 3 meetings were held where preliminary planned changes to our zoning were revealed.

Additionally, on August 28, 2023 a very well attended meeting was held by this Committee.

Councilwoman Park and staff attended in order to hear input from the Community.

There were presentations by three Community groups and an individual stakeholder. It is from this group of meetings and other Community input that the Committee has produced the attached recommendation to be transmitted to CD11 and various departments of Los Angeles City Planning.

DISCUSSION: A draft recommendation document was prepared by Community Committee member Tracy Thrower Conyers. The Committee proposed and discussed additions and refinements to the draft until a final document was agreed upon.

Public Comment: None.

ATTACHMENTS: Recommendation document.

MOTION: That the Board approve the recommendation from the Community Plan Update Ad Hoc Committee to be transmitted to CD11 and various departments of Los Angeles City Planning.
