Re: Auction/sale of property located near 7844 W 79th St, Playa Del Rey

Ladies and Gentlemen:

The Westchester/Playa Neighborhood Council is requesting the property located in the vicinity of 7844 W 79th St, Playa del Rey and currently owned by Southern California Gas Company, be taken off the market for 6 months or until a potential conversion to a community park can be considered. For many years residents have enjoyed the use of this property that has been referred to as "Keith Park". The 6-month extension of the sale of the property would give the community time to consider options for acquiring and using as local "pocket park" which are scarce in our community.

Thank you.

Paula Gerez, President
Neighborhood Council of Westchester/Playa
