

Dear Education Supporter:

The LAX Coastal Education Foundation is excited to once again host the Rock Roll & Run for Education on Saturday, March 7, 2026 from 7:30 am to 11 am at LMU. This event brings together ALL of our local schools and families to strengthen education and promote health and wellness.

Our foundation represents more than 9,000 K-12 students in the LAX Coastal area. By sponsoring the Rock, Roll & Run, you are making a real investment in our schools, students, educators and in our neighborhoods. High-performing schools that are supported by the community benefit everyone and good schools are great for business!

Please consider joining us at one of the following sponsorship levels:
