You May Qualify for FREE Services to Replace Your Lawn

LADWP customers may qualify for FREE services to replace traditional lawns with a sustainable, drought-tolerant landscape through the Landscape Efficiency Assistance Program (LEAP). These services may include:

- Installing California Friendly® Landscaping that includes drought-tolerant and California native plantings
- Installing a rain capture feature (rain barrel, rock garden, or rain garden)
- Converting an existing irrigation system to drip

irrigation

- Installing a weather-based irrigation controller
- Installing a smart water use monitoring device
- Replacing the existing sprinkler system with high-efficiency sprinklers (alternative option if turf replacement is not preferred)
